

Explorer Belt – Holland 2009

Dear Parent/Guardian

Your Son/Daughter may have heard about an expedition we are planning for this August.

We have in the recent past run this event in Slovenia 2004 and 2005 and the Spanish Pyrenees in 2006.

This will be a small-scale event with 4 /5 teams with around a dozen participants supported by at least 3 leaders.

We need to move quickly to sign up participants, as this event will be promoted around the County.

Further information and notes are enclosed.

Nicolette Smith has been doing a presentation around the explorer groups in Maidenhead and if your Son/Daughter has missed this, but is interested we can run extra ones.

If you have any questions please contact me.

Contact: Ray Tucker on ray54tt@aol.com 01628 771739 or 07803891674 to express an interest.
