Participants Parents

Dear Parents

It was good to see so many of you at the meeting on the 19th.

I would be grateful if you could email me to confirm your email address and establish contact in that way. My email address is ray54tt@aol.com if you would just indicate which of the Explorers is yours.

I am away at Glastonbury from this Wed. till Mon. eve. (no fool like an old fool?)

Our dedicated web site is www.scoutexp.co.uk you will find on this site all the fact sheets about the Explorer Belt plus other information, the home contact information will be added in the next day or so which will answer any queries you may have on that. It will be closely followed by a suggested kit list. On my return from Glastonbury I will add info. on suggested travel arrangements and projects so please check the site from time to time.

Once I have your email addresses I can advise you of any updates.

Just to recap on our meeting it was decided that the Participants will carry out a significant part of the expedition by cycle and that they will leave for Holland on Friday 14th August returning on the 26th.

I have put an advert in the Advertiser for bikes to be donated at least one youngster needs a bike plus it might make sense to take a spare.

Question:- Do your boys know how to repair their bikes?
Would they benefit from an evenings instruction?

Please let me know, I can arrange this. (I am fully qualified on penny farthings.)

I have always wondered why the little wheel was at the back meaning that you are always cycling up hill.

Regards
Ray
